The Wildlife Society Journals

Reach a targeted audience of wildlife researchers, managers, academics, and students with low-cost digital advertising in our three premier scientific journals, the Journal of Wildlife Management, Wildlife Monographs and the Wildlife Society Bulletin.

The Wildlife Society journals are among the longest-standing, most influential journals in the wildlife profession. Research in our journals serve as the scientific foundation for applied wildlife management and conservation in North America and beyond.

As a result, the impact of our journals is strong and the demand is high. **Nearly 13,000 libraries, universities, and businesses subscribe** and journal access is included as a TWS member benefit. That means you can reach virtually the entire community of wildlife biologists and students with your low-cost digital ad.

Your ad will be displayed on every page: the journal landing page, the issue page, and each article's page.

eWildlifer

Weekly member newsletter

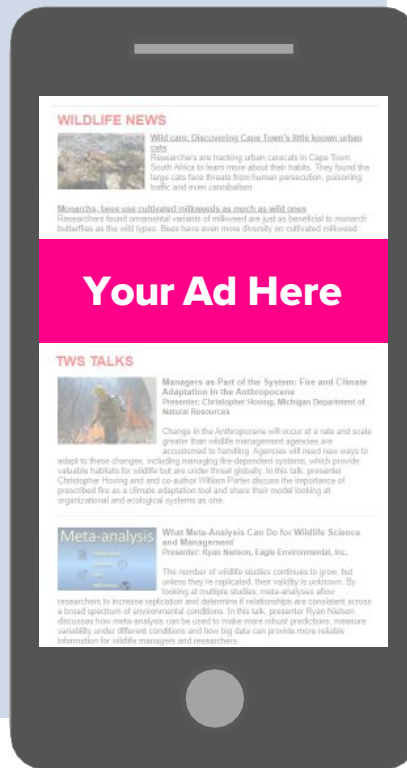

If you're looking to reach every single member of The Wildlife Society in a cost-effective way, the official eWildlifer is your answer. The eWildlifer is one of our most popular member benefits

Each advertisement placed in the eWildlifer can include a link to your product, event, or website.

Weekly distribution enables you to target the week of publication to coincide with special offers or seasonal cycles most advantageous to your business.

To make your advertisement even more effective, we limit the number of ads placed in each week's newsletter to just three.

With our members often in the field and in touch via their laptops, tablets, or phones, this is a great way to reach them wherever they are.
